

**REMARKS**

Claims 1-32 are pending. Examination of the application is respectfully requested.

**I. SUMMARY OF INTERVIEW**

A telephone conference was conducted with Examiner Plante on Friday, September 19, 2008. The interpretation of the claim language and the use of the terms "full cache write" and "partial cache write" were discussed. An agreement was reached in defining the terms as meaning a write from the peripheral to the data queue in a host system memory that is indicative of the cache line size. Applicants respectfully thank the Examiner for his time.

**II. CONCLUSION**

For at least the above reasons, the claims currently under consideration are believed to be in condition for allowance.

Should the Examiner feel that a telephone interview would be helpful to facilitate favorable prosecution of the above-identified application, the Examiner is invited to contact the undersigned at the telephone number provided below.

Should any fees be due as a result of the filing of this response, the Commissioner is hereby authorized to charge the Deposit Account Number 50-1733, AMDP769US.
